Purpose: To provide quality workshops, presented by trained professionals, which provide up-to-date job seeking techniques that will prepare you to compete in a competitive job market.

Budgeting & Rebuilding Your Finances:

Presented by: **Mtn America Credit Union**. Learn basic budgeting and how to get your finances back on track. Topics include: budgeting, repaying debt, building credit and saving.

Connection Point:

This overview of DWS workshops will touch on how you can develop a targeted resume, prepare for that critical interview and develop a networking strategy that will increase your marketability.
